■ Mudhol, Karnataka, 587313

Motivated and dedicated Computer Science diploma graduate with a solid educational background from Government institutions. Strong understanding of programming, problem-solving, and software development concepts. Passionate about learning new technologies and building efficient, user-friendly solutions.

Skills

- Skilled in building responsive web applications using HTML, CSS, JavaScript, React, and managing data with MySQL & MongoDB.
- Experienced in managing tasks, sprints, and project progress using Jira Software in Agile environments.
- Proficient in version control and collaboration using GitHub.

Academic Projects

- Developed a responsive college website using HTML, CSS, JavaScript, and React, featuring dynamic content and user-friendly navigation.
- Created an interactive cake shop website using HTML, CSS, and JavaScript, featuring product listings and a shopping cart interface.
- Built a personal portfolio website to showcase projects and skills, implementing modern UI/UX design and GitHub version control.

Education

Government Polytechnic Mudhol — Mudhol, Karnataka

Diploma (CSE): Completed Diploma in Computer Science and Engineering, gaining practical knowledge in programming and software development.

SSLC: Completed at Government High School, Shirol, with a strong academic foundation.

Experience

Fullstack Developer — College Student, Mudhol, Karnataka

- Hi, I'm Praveen Hosamani, a passionate Full Stack Developer specializing in building dynamic and scalable web applications. I have experience working with both front-end and back-end technologies, including HTML, CSS, JavaScript, React, Node.js, Express, and MySQL.
- My focus is on creating seamless user experiences, optimizing performance, and writing clean, maintainable code. I enjoy solving complex problems and turning innovative ideas into functional, high-quality digital solutions.
